Report on the Safety and Disaster Management Committee of BSN College, Jaipur from 2019 to 2023:

Introduction:

The Safety and Disaster Management Committee of BSN College, Jaipur was established in 2019 to ensure a safe and secure campus environment. The committee is responsible for developing and implementing safety protocols, conducting regular safety drills and training programs, and preparing for emergency responses.

Report 2019

In 2019, the committee conducted a safety audit of the campus and identified areas of concern. The committee developed a safety and disaster management plan, which was approved by the college administration. The plan included procedures for emergency response, evacuation, and crisis management. The committee also conducted fire safety training for students and staff.

Report 2020:

In 2020, the committee installed CCTV cameras on campus to enhance security. The committee also conducted regular safety drills, including fire drills and earthquake drills. The committee identified and addressed safety concerns, such as faulty electrical wiring and inadequate lighting.

Report 2021:

In 2021, the committee developed a crisis management plan to handle emergencies such as natural disasters and terrorist attacks. The committee also conducted training programs for students and staff on crisis management and first aid. The committee reviewed and updated the safety and disaster management plan to ensure compliance with regulatory requirements.

Report 2022:

In 2022, the committee conducted a safety awareness campaign to educate students and staff on safety protocols. The committee also installed

emergency response equipment, such as defibrillators and fire extinguishers. The committee reviewed incident reports and identified areas for improvement.

Report 2023:

In 2023, the committee conducted a mock disaster drill to test the college's preparedness for emergencies. The committee also developed a plan for sustainable safety practices, such as energy-efficient lighting and water conservation. The committee reviewed and updated the safety and disaster management plan to ensure compliance with regulatory requirements.

Conclusion:

The Safety and Disaster Management Committee of BSN College, Jaipur has been actively working to ensure a safe and secure campus environment. The committee's efforts have resulted in a significant reduction in safety incidents on campus. The committee continues to work towards ensuring a safe and secure environment for all.
